

To whom it may concern

This letter is for the amended complaint in case 24cv5711. I'm asking for a refund because my case is being dismissed for reasons unknownst to me. But the pro se office keeps taking money out of my inmate account ever since 10/2024 and I don't have the original receipts/tags from the mattress because I mailed them in when I did the original claim in august of 2024 plus the pro se office was supposed to get my doctors notes from Rose M. Singer clinic which stated the incident reports and which medication I was taking for my back. I am an inmate so I don't have access to this information. Also numerous inmates either filed a civil complaint to the pro se office or the comptroller and have been compensated for sleeping on yoga mats being used for mattress on this type of steel foundation. So my tags are in the original claim.

If I can't pursue this claim  
anymore please refund my  
money to my inmate account.

Sincerely,  
Marcus Wright

P.S. Most of the terms on the  
civil lawsuits that I filed last  
year aren't in my vocabulary  
plus I'm not a lawyer so  
I'm just answering questions  
to the best of my ability.
